Monster Jam 2016: A Review

Monster Jam 2016 was awesome! From the first moment of this event the Georgia Dome was in non-stop action!

It started with a bang with the fireworks to grab our attention and didn't stop until the very last event. Each event provided it's own unique experience. If two massive trucks racing is your thing, you will love this event. Even if you prefer creativity and watching the monster trucks doing tricks, then freestyle will also be at this event.

You can even like both and enjoy the entire show. No matter what you like, it was and will be a great show for any age to enjoy from start to finish.

We would definitely recommend this show. Be sure to be at the Georgia Dome for Supercross on February 27th and the Monster Truck show again on March 5th. Tickets available at ticketmaster.
