

Historic Motorsports Productions LLC (HMP) is a business partnership dedicated to staging premium historic racing events and related lifestyle experiences under the Legends of Motorsports brand at premiere North American venues. Legends of Motorsports events are celebrations... of amazing people, amazing cars and the appreciation of life well-lived.

Whether you are a hardcore follower of historic racing or a first-time attendee to an auto race, Legends of Motorsports events are designed to create smiles, memories and an insatiable desire to return. Our philosophy and approach is simple: Retain all that is good about contemporary historic racing events and enhance them by making them dramatically more enjoyable for fans and participants alike. For the public this translates to events that are imaginative and well-presented. For participants, an elevation of this beloved sport through a markedly higher level of customer service.

These difference-makers include minimizing inconveniences, increasing on-track time and maintaining an environment that is equally comfortable and stylish. *Photos by MSA Staff*
