

WOW, talk about having fun, we went down to ANGEL CITY RALLY in Unadilla, GA., which is a bike rally but you will have a great time partying with or without a motorcycle.

If you enjoy western movies then you will love this place that much more. It's like taking a step back in time into a western town, you even walk on wooden sidewalks to vendor stores for purchasing any kind of biker merchandise, food, drinks or groceries that you may need or want. They have overnight accommodations, camping with or without hookups or you can even bring your tent and throw it up.

I was very impressed with how clean the place was down to even the port-a-potties kept clean. This event is taken place out on acres of land and you can have fun without being harassed by the law unlike other rallies you may go too and the security workers were friendly and having fun themselves.

The food was very reasonable priced, I had a chicken finger basket with fries for only \$5.00 and it was great. They had bike contest, bike games, live bands playing and even had a wedding while we were there so what more could you ask for on a long weekend trip?

This was my first trip down but I was told it happens twice a year so you need to check it out because once you've gone you will be making plans to attend each year I promise. Go to www.angelcityrally.com and check it out for yourself.

Thank you Motorsports for the invite, we had a great time and can't wait for the next ride!
