

First Responders of Douglas County had a Poker Run in August. First responders are firefighters, the SWAT team, EMS, etc. With 68 bikes present, they raised \$2400! The Poker Run started at Atlanta Harley-Davidson in Lithia Springs with a stop at the AmVets Post 118 for "refreshments" and ended at Bonz Bar & Grill in Douglasville. Looks like everyone had a great time! By the way, if you have a hankering for Team Trivia, you should stop by AmVets Post 118 in Lithia Springs on Thursday nights and play! Photos by MSA Staff.
