

The Great American Motorcycle Show

By Phillip Prichard, MSA

Since 1992, The Great American Motorcycle Show has been the place to buy a new motorcycle or the accessories you need. This is Georgia's BIGGEST indoor bike show! The show was full of new motorcycles brought to you by Georgia's leading dealers.

Foreign and domestic motorcycles, one of a kind custom bikes, cruisers, sport bikes, choppers, trikes, and touring bikes were on display. Great deals on motorcycles, trailers, leathers, ATVs, scooters, LED lights, detail products, patches and sewers, riding glasses, helmets, resorts, seat cushions, accessories, custom chrome & paint, insurance, jewelry, cold weather wear, gloves, wheels, tires, boots, security, motorcycle rental, garage gear, seats, apparel and more were available no matter what you ride.

Steve Murrin, author of his book: "Curves in the Road 6:" was on hand signing his book for attendees.

The High Roller BMX Team was performing all weekend. This high energy, action packed stunt show team performed all of the big tricks like the back flip, front flip, 360's, and 720's.
