

Monster Truck Invades Titan Stadium

Story by Jenn McVay Photos: Leon McVay

Carnage was delivered by some of the worlds greatest Monster Jam truck drivers.

(June 24, 2017, Nashville, TN) Nissan Stadium. The Nashville stop on the Monster jam tour Lineup Included, Grave Digger, Max D, Son of a Digger, Wonder Woman, Hot Wheels, El Toro Loco, Crusader, Hooked, Stone Crusher, Mad Scientist, Gas Monkey Garage, Mohawk Warrior, Mutant, Monster Mutt Dalmatian, needless to say they didn't disappoint. The Evening included one on one racing competition to Wheelie Competition, To Free styling with back flips, broken axles and 4wheels with only the role cage left.

A statement made earlier in the night by Son of a Digger driver Ryan Anderson that he would tear his truck up Anderson style, This was accomplished not by him but, by big brother Adam in the Grave Digger truck. By doing his back flip and his amazing driving skills he was able to win 1st place in the free styling competition with a score of 9.817 out of a possible score of 10. The apple doesn't fall far from the tree!

As the night went on there were numerous trucks that just couldn't seem to be able to keep their tires on the dirt. From broken lassos to broken horns to a three truck pile up. But most of all it was a very unpredictable who was going to drive their truck home or have it carried off on a flat bed.

To top off the show there was Monster Mutt Dalmatian bringing the fans to their feet when she made her truck beg for bones. It was Max - D who set the Bar high in the wheelie Competition with a 9.780 score. This was accomplished when he walked his truck 75 yards on only the front two wheels. Lucas Oil Crusader edged out Max - D in the over-all standings 38 to 33 points. If you have never been to a Monster jam show, I highly recommend you go. I guarantee you won't be sorry.
