TOYOTA QUOTES: KYLE BUSCH, No. 18

Skittles Toyota Camry, Joe Gibbs Racing

• Finishing Position: 1st

Did you expect to be as dominant in the race as you were?

"No, I guess I didn't. I hoped it would be like that and be that good. This Skittles Camry was awesome, I can't thank everyone from Skittles enough and everyone from M&M's and their 75th anniversary year this season with us. Of course Interstate Batteries. This Toyota was awesome today, it was just so fast and able to get out front and stay out front. Not even some of my teammates could challenge. This was hooked up and on rails. I can't say enough about Sprint and everything they've done for our sport. Of course the fans - thank everyone for being here and everyone watching on TV - you guys are awesome. We appreciate all of our partners at Joe Gibbs Racing. Adam Stevens (crew chief) and these guys are a phenomenal group and I'm proud to be with them. It's fun to come out here and have such a dominant piece at Indy. They don't come along often so I was just hoping I didn't screw it up."

What type of message does this performance send to the competition as you approach the Chase later this year?

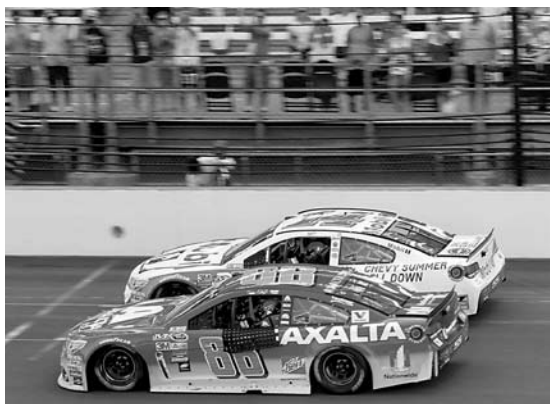

"Joe Gibbs Racing, for sure - I wouldn't say the 18 - I think any of us have a shot to win on any given week. Carl (Edwards) was really strong today and Matt (Kenseth) was strong today, Martin Truex showed his strength today as well. Denny (Hamlin) was there as well. We all have a great communication and comradery and are able to work together well and that's what makes this team so strong. The guys at the shop have been doing a great job and TRD - the guys at Costa Mesa - they've done a phenomenal job with these motors. It's pretty cool to come out here and have another Brickyard 400 victory - two in a row and to celebrate with all this team and of course a beautiful family, too."

Did you think you could set a new NASCAR record by sweeping the poles and race wins in the same weekend?

"It's so cool because it hasn't been done before. I've tried and been successful at being able to do a lot of things that others haven't been able to do before. I guess I give myself more chances than others because I run more

of those races. It helps you and when it helps you win on Sunday, that's what makes everything so worthwhile on those Saturday races. I can't say enough about everyone on that NOS Energy Drink Camry - the guys on Saturday do a good job too helping prepare me and being able to do this stuff on Sunday."
