

## Wrapping Up a Successful Mitty

by Alan Cesar, Classic Motorsports Magazine

This year was testament yet again that there's no better place to live a motorsports daydream than at the Classic Motorsports Mitty at Road Atlanta. This year's Speedfest at the Classic Motorsports Mitty Presented by Mazda was the best one yet, with action all weekend both on and off the track.

Attendants also couldn't be faulted for not wearing their earplugs: Though loud, the Can-Am reunion race was glorious to listen to. Right before the HSR-sanctioned race, the cars lined up in the infield grid so fans could see the cars and drivers up close.

Tons of MGs came out to make a big showing for this year's featured marque. One such MG, a Metro 6R4 rally car brought by David Yando of the Lane Motor Museum, was deemed the most rocking car at the 2013 Mitty. For bringing such an excellent ride, Yando won a custom PRS electric guitar. Photos by MSA Staff.
