

To all the Members of Friends with Old Cars,

We are sending this letter to say thank you for your help in putting on the 2013 "Kruise for Kids" car show.

On Friday, September 27th, more than 30 people showed up to help unload the truck and setup the stage, the scaffolds, tents, tables & chairs.

On Saturday, September 28th, the work day started shortly after 6:00am and went until around 6:00pm that afternoon. We thank the members of Friend with Old Cars who worked so hard and worked so long to make this show the Best of any we have done.

We also want to thank our special guests Captain Herb Emory and Sam Memmolo who also put in a full day of work.

A thank you too, to Ron Edwards /Bonz Sports Bar & Grill for their help and letting us use their parking lot and serving the food.

Without the help of all involved we could not have pulled off The Kruise for Kids Car Show.

When the final count is in, we think we will be around \$8,000.00 raised by the 2013 Kruise for Kids car show.

Thanks for your help,

Wilbur Guy
