### Brian France: NASCAR Chairman & Chief Executive Officer, On Tony Stewart

"When I think of Tony Stewart, unmatched passion and a pure love of the sport come to mind. He has won championships and millions of fans. But he has given back so much more, and that's what I admire most. News was bittersweet for all, but we know Tony will continue to be a big part of our sport in his roles as a team and track owner. On behalf of the entire NASCAR family, I thank Tony for his many years of excellence and competitiveness, and wish him nothing but the best in his final season as a driver in the Sprint Cup Series."
