Heart disease claims the lives of thousands each year. Many of our Family & Friends have succumbed to this vicious disease of the heart. Together we have organized a Biker benefit ride with a fundraising auction at the end. The funds raised will be for those who are struggling with this horrific disease and in honor of those loved ones who have lost the battle. Donations will go to the American Heart Association and a Benevolent fund to assist those fighting the disease now to cover unexpected expenses.

**We are not 501(c)3 Donations are not tax deductible.
