

COCA-COLA 600: TEAM CHEVY RACE NOTES AND QUOTES

KYLE LARSON, NO. 5 METRO TECH CAMARO ZL1 1LE – Race Winner

YOU SWEEP TONIGHT! WHAT IS THE EMOTION, NOT ONLY TO WIN THE COKE 600, BUT TO CLOSE IT OUT, DOMINATE A RACE, AND GET IT DONE?

“Yeah, it feels good. It was not easy. I felt like I had to fight off William (Byron) and Chase (Elliott) a lot. It kind of worked out there in that last run. The No. 43 (Erik Jones) had to pit and pulled out in front of me, and I just towed with him for a while and stretched my lead out. We had a good car there in that last run. Awesome! It feels great to be the guy to help Mr. Hendrick break that record, finally. This is awesome.

We haven’t seen this many fans in forever. Thanks to all you guys for coming out. I hope we put on a good show. Thanks to Metro Tech, Chevrolet, HendrickCars.com, and everybody who allows me to drive this No. 5 car. And thanks to my No. 5 team tonight, too. They were great tonight. My pit crew did awesome. We had awesome pit stops, especially on the green flag stops, too. That really allowed us to get the win tonight.”

YOU KICKED IT OFF THIS YEAR WITH A BRAND NEW TEAM AND A BRAND NEW ORGANIZATION FOR YOU. HALF-WAY THROUGH THE SEASON, YOU ALREADY HAVE TWO WINS. WHAT IS IT LIKE? HOW CAN YOU DESCRIBE WHAT THIS TEAM IS DOING RIGHT

NOW AND WHAT MR. HENDRICK HAS?

“When I got to talking to Ricky Stenhouse last year, I was like I think I’m going to end up in the No. 5 or the Hendrick cars and he was like, you’re going to be really good in that thing. And I was like, I don’t know. But it’s been better than I could have ever imagined. For

us to lead as many laps as we have this year and contend for as many wins as we have, and now to get our second win at a Crown Jewel event, too, it feels great. I’m just very lucky that Mr. Hendrick was able to put together a deal for me. It’s just awesome. I’m living a dream, for sure.”
