

# STREETSIDE CAR SHOW

Streetside Classic in Lithia Springs held a car show on June 3. Owners of classic cars gathered together, an estimate of 200 gleaming examples of automotive history were on hand. Displaying their “babies” was not the only motivation to participate in Streetside’s event. The other reason was to support a local Veteran and Streetside employee who had serious health issues and raise funds for his medical treatment.

James Johnson, earlier this year was admitted to the ER in what would be a painful road to finding the answer to his condition. A CAT scan would reveal hemmorrhaged lungs full of blood and a diagnosis of GPA: Granulomatosis with polyangiitis (GPA) is a rare condition where the blood vessels become inflamed. It mainly affects the ears, nose, sinuses, kidneys and lungs.

The Johnson family-James, Leah, Jaylee and Courtlyn thank each and everyone who showed up on June 3rd and for the donations that poured in that day.

Streetside is still collecting funds for Johnson’s medical debt and if you would like to help, send your donation to Streetside Classics at 213 Thornton Rd., Lithia Springs, GA 30122. (Continued on Page 9)
