Third place was Briar Bauman, age 23 from Salinas, CA. Brian won at Daytona just a couple weeks ago.

The other event that was held was the Astro Invitational. This is riders using rebuilt old model BULTACO Astros from Spain.

Designed to benefit AFT's official charity - the Rookies of 79 Charity for Injured Racers, - the event will bring former professionals and avid vintage flat track competitors together to compete on purpose-built two-stroke BULTACO Astros that were wildly popular in the 70's.

This charity was started 10 years ago by former riders that were rookies on the circuit and were named in magazines as "The Rookies: Class of '79. They are Scotty Parker, Ronnie Jones, Wayne Rainey, Chas Roberts, Tommy Duma, Jackie Mitchell, Lance Jones, and John Wincewicz. Perhaps some of you remember seeing them race in the 70's and 80's. I know I do. Their mission is to help with expenses any Flat Track motorcycleist that is injured on the track so they may return to the track. At this particular race two drivers were critically injured, Brandon Singer and Jeremy Werner. They are currently featured on their website. I encourage you to take a look at their non-profit. Next race Texas Motor Speedway April 20.

"Ah, the smell of fuel and the haze of dust. Nothing like short track dirt racing."
