

BATTLE AT THE BULLRING

Championship Flat Track Motorcycle Racing

The South's Baddest Bullring welcomes in the high speed, high octane excitement of professional flat track motorcycle racing for a huge one-day show on Saturday, March 16th!

cycle racing this area has ever witnessed. The unique gumbo clay surface will be new for the riders and its' slick conditions will make for some tense moments.

What classes and types of bike will be competing at this event?

Pro-Twins: this is your "bread & butter" class. 750-900CC twin cylinder machines are the heavy hitters and the best of the best.

Pro-Singles: This is the next level of premier class featuring 450CC DTX bikes which are

very closely related to stock look. Pro-Singles are extremely fast motors.

Pro-Am: Expect to see true "Framers" which are fully custom, chromoly chassis hybrids!

Open-Am: These are basically crazy folks riding hooligan motorcycles which are almost street legal!

The professionals will be ready for short track action after the opening rounds of the 2019 racing season in Daytona Beach! The next stop for many of the nation's best will be on the southside of Atlanta at the nation's most talked about race track, Senoia Raceway.

The tight confines of this 3/8ths mile will create some of the most exciting motor-
