

MotorsportAmerica was invited to attend the SMOKIN BUTTS BIKE DIRT DRAGS and it was a "Awesome" event. There was entertainment all weekend. Starting Friday with campers enjoying the Ms. Smoking Butts contest along with music. Saturday brought out the bikes for burnout contest and bike show. If that didn't get your senses fired up, the concessions and vendors were there for food and unique items.

Night-time brought music and fun all over the site. Sunday racin' started a little later than 1:00 pm due to a rain shower but Gump the Man dragged the track and here are pics of the entertainment! *Photos by MSA Staff*
